

## St. Martin Parish Library Frequently Asked Questions

### How Do I Get My card?

Adults (18 and over): Proof of address is all that's required -- your license, printed checks, utility bill, or an envelope mailed to you.

Children: Children are eligible for a library card starting at the age of 4. A registered parent, grandparent, or legal guardian's signature is required. The adult is responsible for any fees or fines the child incurs and is also responsible for the choice of materials the child borrows. Library staff does not censor selection.

Digital Cards: Digital cards allow access to digital content and material, as well as access to public computers. Digital cards do not allow borrowing of physical material. A digital card may be requested by any borrower with a regular borrower card that is blocked due to fines/fees. A digital card application form is found on our [Policies](#) page.
